— Crane's Famous Pies —

To single out select pies would be like asking us who our favorite children are, so we'll just say that every pie we make is a crowd favorite.

We make our pies here at the Pie Pantry, exactly as you would at home. The crusts are a special recipe perfected by Mrs. Crane - made with all vegetable shortening - rolled, crimped, and vented by hand. No preservatives, or colorings are used. All desserts served warm! Just the way grandma would want it.
